

Thank you all for supporting your child with their home learning. We are delighted with the take up and engagement in the home learning offer. We completely understand that this is not easy to manage alongside your own home routines and also for some of you, working from home. With this in mind, please be kind to yourselves! Try to find a balance that suits all. Teachers are uploading approximately 3 hours of learning/day. If this is too much then please find a happy medium. The most important part is that your child connects with his/her teacher on a daily basis so please try to encourage them to access the Google meet sessions.

Thanks to all those pupils who are regularly turning their work in to their class teachers. We are overwhelmed with the amazing response. Can we just ask that work is returned in the time frame that is set and that there is no expectation that teachers will respond straight away? Staff are also juggling their home life with their planning and provision for home learning and also need time to focus on their own family's health & well-being. Thank you with your support with this!

Please can we politely ask that parents only email school staff during school hours Mon-Fri 8.30-5pm and not during the evenings and weekends.

Many thanks
Mrs Newberry

This week's awards go to ...

Primrose Olivia M for excellent writing
Mohegan Joel for brilliant learning this week

Your School Nurse

Your child can have access to a School Nurse at any time if you have any health concerns, in addition your School Nurse offers a full health assessment in reception and year 6.

The School Nurse can check:

- Your child is growing healthily and support with healthy eating
- Support with access to dental care and general support for dental hygiene
- Help with day / night time wetting or soiling
- Provide information about immunisations
- Guidance re healthy lifestyles
- Support with general hygiene issues including head lice and worms
- Support with general emotional health issues
- Support to access other health professionals
- Routines, including sleep

Additionally in Year 6:

- Friendships
- Relationships
- Development, including periods and puberty
- Access to specialist services – including dietician, healthy weight programmes and voluntary services
- Developmental issues
- Transition to secondary school
- Healthy lifestyles

YOU ARE NEEDED!

Looking to give something back? Wanting to feel of use? Looking for a new challenge?

From Crowan to Porthleven, across Helston and the Lizard: Your local schools need your help right now!

Have you had experience of any of the following: working with young people; safeguarding; premises work or health and safety checks; or being on a Board and asking the right questions? Then you could be just what we are looking for to join our Trust as a volunteer governor. Full training is provided.

For a preliminary, no commitment conversation, please contact our Trust Administrator, Karen Teague, by emailing kteague@southerlypoint.co. See our website for more details of our schools.
