

Thank you all for your hard work and support with the remote learning over the last half term. Overall, the engagement in the remote learning has been really positive and this is down to both the staff and yourselves working together to ensure your child's needs are met to the best of our ability.

It has been a long half term in so many ways. No home-learning will be set over the half term week. Please try to find some quality family time. Look after yourselves & keep safe!

Many thanks  
Mrs Newberry

#### Primrose Class

Mrs Shainberg and Mrs Dowker would just like to say how impressed they have been with the work that Primrose Class have been producing over this lock down period. We have been particularly impressed with the English work produced this week. The children filmed some news reports about the first landing on the moon. The videos that the children, both at school and at home, produced were amazing! We were both VERY impressed with your super work! We have some budding reporters in our class!
